

FASA STAR TREK: THE ROLEPLAYING GAME

WHO'S WHO IN THE UNIVERSE

EDITED BY SCOT HOOVER

Notes: The following is a complete list of personalities in the Star Trek universe as published by FASA. It should not be taken to represent a canonical list for the official Star Trek universe. For characters with several instances of published background, the latest is taken to be the most accurate. For a list of published resources used in compiling this list, please see the bibliography in the Appendix. Blank entries indicate no additional information in the published text was given.
