**STRANGE
NEW
WORLDS**

KEY

World – The proper name of the world

System – The name of the system where the world is located

Location – System's map coordinates

Race – Predominant racial type

Population – Estimated in billions of inhabitants as of 2/2306.01

Status – Current political status in the UFP as of 2/2306.01

AS – Associate member

FS – Full member

Col – Federation colony

Indep – Independent world

Quar – Quarantined world

Pdir – Interdicted under the Prime Directive

Affiliation – Galactic political membership

UFP- United Federation of Planets

Klingon- Klingon Empire

RSE- Romulan Star Empire

Orion- Orion Colonies

Profile – Major planetary concerns

Ag – Agriculture

En – Entertainment

Cl – Culture

In – Industry

Mn – Mining

Nv – Naval support base for Starfleet

Sh – Shipbuilding

Sc – Science

Tr – Trade center

X – Unknown

Index – The Planetary Profile as detailed in the rulebook
